Terror In The Tundra Cage Room

The Dragon's Rest Quest

www.dragons.rest

Use the Pit 4x4 Overlay if you want to place the whole tile over an existing board or flat on your tabletop as a stand-alone piece.

Use the Pit 4x4 version to remove the underlying tile.

Use the Pit 4x4 Clips version to either replace the underlying tile or to be able to use in a more non uniform layout similar to Advance HeroQuest
